April – May 2021

🌀 Editor's Note

The new academic session began on a positive and enthusiastic note. The School hoped to reopen its gates and conduct physical classes for its students from the new academic session. However, owing to the precautionary measures which need to be taken because of the continuing threat posed by the Corona Virus, the School is continuing with its classes through the virtual platform.

🌀 Virtual Tour of the school

The beginning of a new academic session, brings with itself, a plethora of excitement for the students. Yet, this decision did not deter the resolve of the school authorities to help familiarize the students of Pre Primary classes, the new admissions and their parents with the architecture, setup and the ambience of the school. A virtual tour of the school was conducted with the help of a video clip compiled by Principal, Mrs Vipanjot Sehdeva and Primary Teacher, Mrs Maitri Soni.

🌀 Earth Day Celebrations

Earth Day is celebrated on 22 April every year to spread awareness among people about the issues of climate change, global warming, pollution and exploitation of natural resources. Being global citizens, the Family of Army Public School, Mumbai, takes pride in creating awareness about environmental issues and also celebrating the beauty of planet Earth. In resonance with the same, competitions like, Poster Making, Card Making using the theme of 'Best out of Waste' were conducted and also an online Quiz competition was organized for the students. In addition to this, a Special Assembly was conducted by the Commerce students of XII, to celebrate Earth Day. The prize winners were awarded E-certificates.

Teachers Training Programmes

✧ Principal, Mrs Vipanjot Sehdeva successfully completed online certified courses recommended by C.B.S.E:

- i. Competency Based Education
- ii. Experiential Learning

✧ Mrs Usha Bhardwaj, Senior PRT, attended a four days webinar organized by F.D.R.C, from 19th - 20th April and 22nd - 23rd April 2021. The webinar aimed to spread awareness regarding issues such as, challenges on school issue at Primary Level, strengthening academics at Foundational and Preparatory Levels in accordance with NEP 2020, Curriculum Mapping at Foundational and Preparatory Levels and ensuring school safety through infrastructure, policy and norms.

🌀 Webinars for Students and Parents:

✚ **Voices and Choices:** is an initiative of NWWA (WR) in collaboration with NGO AACCI. On the 1st of April, 2021 Mrs Madhulika Rawat, President DWWA, in her inaugural address complemented Mrs. Kala Hari Kumar, President NWWA (WR), Lt. Gen. Madhuri Kanitkar and Mrs Swati Bhawe, for giving the opportunity to conduct a webinar and share thoughts in these challenging times.

The webinar aimed to highlight the stages of adolescence and the ways to handle known and unknown realms of growing up and parents-teen relationships. A Q & A session was the key highlight which enlightened one and all.

- ✚ **Talk the Talk:** A webinar “Talk the Talk” was conducted on 26 April 2021 for our mothers and adolescent daughters.

- ✚ **“Find the Balance”:** webinar was conducted on 1st May.2021 to help, both adults and adolescents cope up with stress in these testing times.

The school extends its heartfelt gratitude to Mrs Mamta Prashar, Zonal President AWWA MG and G Area for all the guidance and moral support in the facilitation of these webinars for the students, teachers and parents of APS Mumbai.
