ARM YOURSELF AGAINST COVID-19

India kick-started the vaccination drive for children aged 15 to 18 against the Corona Virus from 1st January and 166 out of 234 (71%) eligible students have received their first dose of the vaccine.

ARMY DAY CELEBRATIONS: PRIMARY WING

On the eve of the 74th Army Day, our tiny tots conducted a special virtual assembly to honour all those brave men and women who have served and are serving their country with bravery, dedication and self-sacrifice, and to imbibe the message of patriotism among students.

ADDING CREATIVITY THROUGH THEIR STROKES

Our students enthusiastically and zealously participated in the Southern Command Open Online Painting Competition, with the theme “Indian Army: No Challenge Too Big”. The competition was an apt platform for our budding artists to showcase their talent. A few images of the entries submitted by our school are as follows:

CBSE SCIENCE CHALLENGE – 2021-22

Science is inextricably linked with our lives and helps us to understand the world around us better. Scientific and technological developments contribute to progress and help improve our standards of living. As an initiative to generate curiosity, enquiry and higher order thinking amongst the learners, CBSE organised a Science Challenge for the students of Classes VIII-X, on Diksha platform. Our students enthusiastically registered for this competition and completed the II-Module course to get the participation certificate.

REPUBLIC DAY CELEBRATIONS

APS Mumbai celebrated the 73rd Republic Day with zeal, through the online platform. Various activities were organised to infuse the spirit of unity, brotherhood and patriotism among the students. The tiny-tots conducted a special virtual assembly on the eve of Republic Day. The confidence and enthusiasm with which our little champs presented themselves was indeed praiseworthy. Certificates and small gifts were awarded to them as a token of appreciation and encouragement.

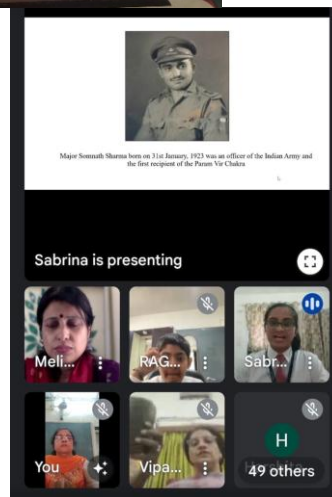

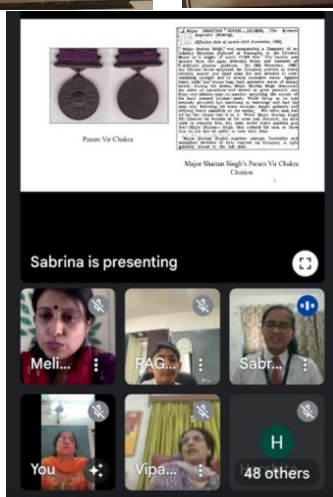

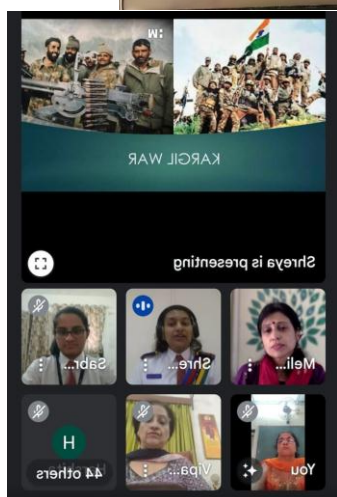

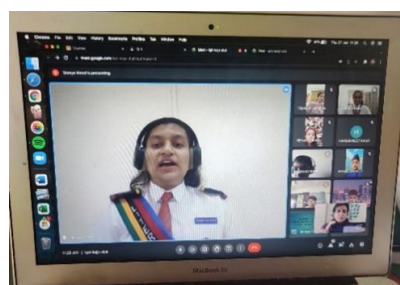

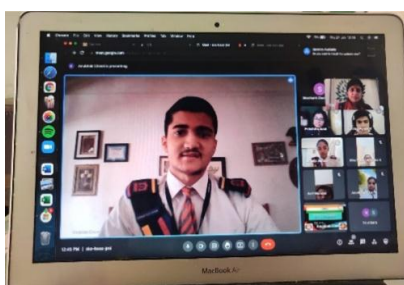

The teachers are gearing up to welcome the tiny-tots back to school after a gap of almost 2 years.

A virtual assembly was also conducted by our Head Council Members, showcasing the history and significance of Republic Day. Our students showed great interest by registering themselves on the My Gov portal to view the RD parade and the Beating Retreat Ceremony. However, videos of the RD Parade were also shown to the students during school, to reiterate the importance of the day.

VEER GATHA PROGRAMME

It is a joint initiative of Gallantry Awards Portal of Ministry of Defence and Ministry of Education to celebrate gallantry of our Armed Forces and to create greater awareness amongst children about our brave martyrs and other gallant soldiers. On this occasion our Head Council members narrated anecdotes from the lives of war heroes to the students of junior classes, followed by a quiz competition. Students with best narratives and presentations were awarded with e-certificates.

WEBINAR ON 'TIME MANAGEMENT'

"I must govern the clock, not be governed by it." For the students to completely resonate with this adage, a workshop on 'Time Management' was conducted by Mrs Alia Vashishtha, trained CBT/ REBT Therapist, for Classes XI & XII. The students were assigned tasks to make their long-term and short-term goals. It was an insightful session for the students as it set a foundation upon which they could build better habits to manage time.
